Registered with an
Apprenticeship Provider

Had an interview for a
Childcare Apprenticeship

Was too ill to
complete Key Skills
Course

What I've Done
So Far.....

During the project I
have attended
training on Child
Protection which I
really enjoyed and
found interesting.

Was supported by staff
and my college during
illness and given lots of
encouragement

Staff have contacted
my Social Worker
when I have needed
info for my CV

Completed application for
nursery assistant

Have had regular visits to
services which have
supported me with finding
employment
