What I've Done
So Far.....

I have been observed by
an NVQ Assessor

At times I have found
committing to the project
quite difficult due to
personal reasons and need
to work on my attendance

I completed a
Safeguarding Children
and Young People
course.

Staff have supported
me in applying for my
driving licence and
completing my CV.

I am now in my new flat
with my own tenancy! I now
have some stability.

I am on placement at a
youth club for young people
with disabilities and have
been working as a Young
Leader

I will be going to a
charity
organisation with
my Support
Worker to get
furniture for my
new flat!

Started my NVQ Level 2
